PROJECT CANADA

Dear Fellow-Canadian:

As the 20th century moves toward its final quarter, the world knows a great deal about many things--but little about Canadians.

We think it's time that Canadians, along with people elsewhere, became better aware of who we are and how we think and feel.

PROJECT CANADA consequently represents an opportunity for Canadians to speak out and make the views of the people in this country better known. The project is being conducted through the facilities of York University in Toronto.

My York associates and I have randomly selected 500 people in each of the ten Canadian provinces to participate in PROJECT CANADA. You are one of these people, and by taking a few minutes you will ensure the success of the project.

We are asking you to kindly fill out this questionnaire and return it to us in the enclosed, prepaid return envelope. We know that your time is valuable (and limited!) and therefore we have set up the questionnaire so that almost all of the items require you only to "circle a number".

It is not necessary for you to sign your name. We assure you that the information which you give us will be kept entirely confidential (the number on the questionnaire simply allows us to keep track of questionnaires received).

Your generosity in giving your time and effort to assist in this important study is greatly appreciated. We hope that you will find the questionnaire interesting. Thank you very much.

Sincerely,

Reginald W. Bibby,
PROJECT CANADA Director

INSTRUCTIONS: Throughout the questionnaire, simply CIRCLE the number which corresponds to your answer. Feel free to make comments in the margins. Please ignore the numbers in brackets--they are for our use in tabulating answers.
